

Mathiws Wondu -YeEthiopia Cancer Society (MWECS)

Vacancy Announcement

Mathiws Wondu -YeEthiopia Cancer Society (MWECS) was established by the first General Assembly meeting of the founding members of the Society held on April 17, 2004 and now it is seven years old. For further information, refer to our web site: www.mathycancersoc.org.

Our Society is a non-governmental and nonprofit organization dedicated to the national control of cancer and support for all cancer patients in Ethiopia. MWECS is one of the four NGOs in Ethiopia working on cancer and the only one specializing in pediatric cancer. The society is actively working in so many cancer-related activities, particularly in raising public awareness of cancer, its prevention and treatment possibilities. In addition, our society has been ardently working to improve treatment conditions and helping pediatric cancer patients and their families.

MWECS is a member of Christian Relief & Development Association (CRDA), Code of Conduct (COC) and the International Union Against Cancer (UICC) the world's largest independent, non-profit, non-governmental association of cancer-fighting organizations. MWECS also recently became a member of the International Confederation of Childhood Cancer Parent Organizations (ICCCPO). Currently, MWECS is also seeking affiliation with the American Cancer Society.
